

# Control (Zoe WEES)

Chorale 2025-26

## Soliste

Early in the morning I still get a little bit nervous  
Fighting my anxiety constantly, I try to control it  
Even when I know it's been forever I can still feel the spin  
Hurts when I remember and I never wanna feel it again

Don't know if you get it 'cause I can't express how thankful I am  
That you were always with me when it hurts, I know that you'd understand

## Contrechant : Choeur à l'unisson

I don't [lose control]  
[Nothing I can do anymore  
Tryin' every day when I hold my breath  
Spinnin' out in space pressing on my chest  
I don't wanna lose control

——Lose control  
Nothing I can do anymore  
Every day I hold my breath  
Spinnin' pressing on my chest  
——Lose control

Sometimes I still think it's coming but I know it's not  
Tryin' to breathe in and then out but the air gets caught  
'Cause even though I'm older now and I know how to shake off the past  
I wouldn't have made it if I didn't have you holding my hand

——Lose control  
Nothing I can do anymore  
Every day I hold my breath  
Spinnin' pressing on my chest  
——Lose control

I don't wanna lose control  
Nothing I can do anymore  
Tryin' every day when I hold my breath  
Spinnin' out in space pressing on my chest  
I don't wanna lose control

I need you to know I would never be this strong without you  
You've seen how I've grown, you took all my doubts,  
'cause you were home

Spinnin' out in space pressing on my
